

ONE COOL BLOW

CHARLESTON PENINSULA, SC

Condo For Lease
Two bedroom, two bath condo
Unit 1-142

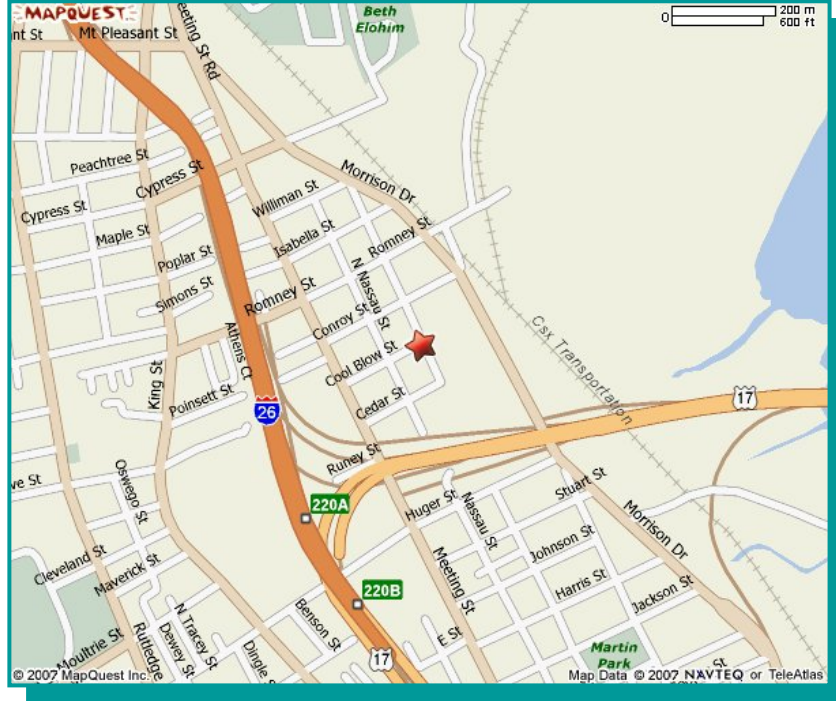

One Cool Blow has been built in a true urban loft design--very unique to Charleston. With exposed concrete walls, 10' windows, hardwood floors, granite countertops and space for a third bedroom or study/computer/office area, this is the home you've been looking for. A generous great room with open walls and plenty of natural light flows into the kitchen.

The building has a common rooftop patio for your use with fantastic views.

This newly constructed building includes a secure elevator and plenty of parking. Also included is the washer and dryer.
